

Black Friday. Cyber Monday.

#GIVINGTUESDAY™

November 28, 2017

Perry

Please Remember the Beagles on
#GivingTuesday!

Windy Lue

Over 90 Beagles have been adopted into wonderful forever homes so far this year! Many of our Beagles have needed extensive veterinary care before being ready for adoption. One of our current foster Beagles named Perry was rescued from the Pearland Shelter with a fractured pelvis. HBHR is providing the vet care needed until he has fully recovered and is ready for adoption.

Windy Lue was a Harvey victim who ended up in the League City shelter with a fractured hip. She is now recuperating from surgery in one of our foster homes and will be ready for adoption soon!

Jackie, a cute little Beagle girl rescued from the Harris County shelter, is being treated for pneumonia in another foster home.

Jackie

These are just a few of the recent stories of our rescued Beagles. It takes your donations and the dedication of our wonderful team of veterinarians and foster volunteers to care for these Beagles until they are healthy and ready for adoption into their forever homes!

Please consider a [#GivingTuesday](#) donation on Tuesday, November 28th to Houston Beagle Rescue! To make your donation, go to our website, [Houston Beagle Rescue](#). and click on the Donate Button!
