“A Broken Rescuer’s Heart”

**Broken is this Heart of Ours,
We were many and complete, now a void.**

**Your Little Life so precious, now gone.
We stand along with your Foster Brothers and Sisters.**

**Never Broken is this Love for you,
For your memory can make us whole.**

**Bless you in your rest,
and we pray we’ve done our best.**

**Our Broken Hearts with such a void.
This love of you will never end,
We close our eyes so we may mend.**

**We miss you Alice HAMBeagler,
And will look forward to seeing you once again at the
Bridge.**
